4.) Click Get Started to begin the account configuration wizard.

5.) Click Skip on the subscription screen.

6.) In the Response Devices section of your account click Add/Purchase a Clicker.

Response Devices

A response device is used to respond and a clicker ID is required to link your device to your account.

7.) Enter the Device ID on the back of your "clicker" response device in the provided Clicker ID field & click Add. When the yellow Exclamation mark turns to a green check mark, click Continue.

8.) If you receive a yellow exclamation point on the Blackboard Connection screen click Connect. This will bring you back into Blackboard. Repeat #1 & #2 of this guide. If you received a green check mark on the Blackboard Connection screen proceed to step #9

9.) Click Finish.

10.) Your TurningPoint profile page will be displayed, your account is configured & your response device "clicker" should appear in the Response Devices section. If it does not, refresh the web page.
