## Guidelines for Audition Videos

All content of performances must abide by applicable policies in the student guidelines handbook. Each entry must upload an "UNLISTED" YouTube video, and email that link to both Morgan Dunn and Hannah Eller at [mrdunn0702@email.campbell.edu](mailto:mrdunn0702@email.campbell.edu) and [hakers0323@email.campbell.edu](mailto:hakers0323@email.campbell.edu) by the due date. Talents performed are not limited to just musical talents, but can be anything that abides by the applicable and standard conduct rules and guidelines for students enacted by the school (i.e. juggling, stand-up comedy, singing/playing, spoken word, etc.). Performances are not limited to one person per performance (groups allowed) **\*\*Unlisted YouTube videos can only be found by those who have the link so your video will not be "public."**
