

# The Dominican Republic

WE ARE OFF AGAIN!!!

**December 10 – 17, 2022**

The regions around Santo Domingo are very poor and although they have inexpensive health care, they have very little access to it. We have collaborated with Open Door Ministries and with the Dominican Republic's health department to provide the needed care. However, **we need you to do it.**

Though hard work, the rewards are unmeasurable. In addition, on our last day in country we will be relaxing, touring the historic sites of Santo Domingo, and enjoying the beautiful beaches. The total trip cost is \$2700.00.

A deposit of \$800.00 (airline fees are nonrefundable) is due by **noon November 17, 2022**. If interested, complete an application here:
