## Possibility + Opportunity = Your APhA-ASP

*"Joining APhA-ASP has been one of the best and most rewarding decisions I've made during my time in pharmacy school. From being able to work through the various patient care projects and hosting local Naloxone training sessions and flu clinics, to serving as an ambassador nationally at the Institute on Substance Use Disorders, APhA-ASP has truly helped me grow both personally and professionally."*

**Opportunities are endless**  
within the profession of pharmacy —  
Explore them all with APhA-ASP

**This is an exciting time for you as you embark on your student pharmacist journey to new practitioner!**

As an APhA-ASP member YOU create your experience. Whether you want to advocate for the profession and patients, develop your leadership skills, or profoundly impact your community— You can do it all and more as an APhA-ASP member!

*“When I joined APhA-ASP as a first-year student pharmacist, I had no idea how significant a role this organization would play in my development throughout pharmacy school. I found my passion for advocating for our profession at the APhA-ASP Summer Leadership Institute in 2018, and I have run with that passion ever since through various roles, including as Regional Delegate for Region 6.”*

Drive change, evolve patient care, and advance the profession of pharmacy **with APhA-ASP**

**INCLUSION**

Inclusion of all practice areas of pharmacy is APhA's commitment to the profession. Participation as a student helps you define your career through exposure to the many specialties within pharmacy.

**OPPORTUNITIES**

Opportunities abound in APhA-ASP to learn, develop leadership skills, and build a strong network that will grow throughout your career, and to stand out post-graduation by building your curriculum vitae through participation in your APhA-ASP chapter.

**IMPACT**

Impact in the community and with patients shows you the power of APhA-ASP membership. You can see the difference pharmacy makes in individual lives by participating in APhA-ASP patient care projects such as the Women's Health Campaign and Operation Heart. These community projects give students real-world, and hands-on opportunities to share their knowledge and to learn from doing.

**INTERNATIONAL CONNECTION**

International Connection is an option you do not find anywhere else in pharmacy! APhA recognizes that our community is global, so membership in the International Pharmaceutical Student Federation (IPSF) through APhA-ASP is included in your student experience.
