

HEALTH CARE RELOCATIONS

INSTALLATION ASSOCIATE INFORMATION

Health Care Relocations is seeking Installation Associates for the transfer and installation of medical supplies, equipment, and materials to **Moses Cone Health in Greensboro, NC**. This contract will be between **July 29 to August 2nd** and **August 10th to August 20th**. This process includes the delivering the various items to the proper location and install these items where applicable. This task is essential to make sure the facility is properly outfitted before it becomes fully operational.

Installation Associates are an important part of this task because HCR often needs the extra help on large scale projects and installations. It is Health Care Relocations initiative to find hard-working, courteous members of the local community to help on these projects.

What do you need to know?

You will be working in a hospital environment installing items such as:

Whiteboards	Diagnostic Boards	Tables
Metal Shelves	Wire Shelving	Soap Dispensers
Glove Dispensers	File Holders	Mop Rack Holder
Hooks	Hand sanitizer Dispensers	Glucose Monitors
Paper Towel Dispensers	Toilet Paper Dispensers	Desks
Art Work	Blood Pressure Cuffs	View Boxes

This job is not incredibly physically demanding but may require some lifting. Associates will be on their feet all day and will be required to use some basic tools (screwdriver, hammer, measuring tape). The most important skill for an installation associate is to be professional and courteous and ready to help when needed.

The project manager will lead these projects and guide each step of the way.

Installation Associates are a key part to making a new facility operational for the medical staff and patients

This is an independent contract position that will be paid \$14 /hr. Associates will receive payment upon completion of the move.

Training is provided online and on-site.

If you are interested in applying for this opportunity in your area please send your resume to smcginnis@hcrmoves.com
