

You're Invited

MULTIPLE SCLEROSIS: A CLINICAL PERSPECTIVE INTERPROFESSIONAL PROGRAM FOR STUDENTS

Please join the National Multiple Sclerosis Society and our host, Whitted Human Services Center, for an evening of education discussing the clinical aspects of multiple sclerosis (MS). The program will cover an overview of MS, what it's like to live with the disease from a patient perspective, and a case study review.

This program is targeted towards students in healthcare fields including medicine, nursing, rehabilitation, physician assistant, mental health, social work, and pharmacy.

Dinner and networking opportunities are provided.

THURSDAY, NOVEMBER 14th 6:00-8:30 PM

**Whitted Human Services Center, Room 230
300 W Tryon St, Hillsborough NC 27278**

This program is free.
