

Piedmont District NC Student Conclave Sponsorship

The 3rd Annual North Carolina Student Conclave is an excellent avenue for students to connect, network, and learn. The event features a keynote speaker, several enlightening lectures (by current clinicians and professors), and a patient perspective talk. Registration includes breakfast and lunch. Topics will include finances for the new grad, travel PT, PT & PTA interaction, general vs specialty PT and many more! Also, several recent DPT alumni will be present and happy to share advice about studying for the NPTE and useful tips they accrued along the way.

The Piedmont District of APTA North Carolina is excited to offer the opportunity for 2 physical therapy students and 2 physical therapy assistant students to attend the NC Student Conclave on March 7, 2020 at High Point University.

Students who would like to be considered for sponsorship, must complete the following:

1. Write a short essay (300 word limit) describing the importance of student engagement with the APTA and APTA NC and explain how these organizations can improve student participation in their local chapter/district.
2. Commit to attend a 2020 APTA NC Piedmont District meeting following participation at the NC Student Conclave.

Please submit essay to piedmontncpta@gmail.com no later than **February 10, 2020**. Students selected for sponsorship will be notified by February 22, 2020.
