

Virtual Prayer Vigil

You are invited to join our community in prayer as we lament together the loss of innocent lives and security due to the pandemic and recognizing the injustices of discrimination, prejudice, and loss of innocent lives due to systemic racism. Join us as we covenant together to new practices of hope, redemption, and justice as we discern our role as agents of healthcare, empathy, and understanding moving forward to foster lasting unity, encouragement, and support as one family under Campbell University and as followers of Christ.

Saturday, June 27th - Sunday, June 28th

8 am - 8 am
