

I, Daniel Burkhead, certify that I am running for the position of Student Osteopathic Medical Association treasurer in the 2023 election. I believe I am the person for the job as I value the importance of honesty, integrity, teamwork, and diligence, which I see as absolute requirements for a great treasurer. I am a very structured person as it comes to my own life, and I plan on translating that to SOMA's finances in my role as a treasurer. As a non-traditional student, I've been responsible for my own personal finances and how to budget accordingly. I understand the time value of money is crucial and keeping accurate records is a necessity. I acknowledge that I will be an extension of the great class of 2026 and will do my best to represent you as treasurer. Thank you.
