Call for Abstracts

Become more involved in your local SHM chapter while sharing new discoveries with your hospital medicine community. Submit your research abstract for the chance to present at the NC Triangle Chapter Scientific Abstract Competition. All physicians, residents and students are eligible to participate. You do not need to be a current member of SHM to participate and you may submit as many abstracts as you would like. There is no cost to participate or to attend the competition. The abstract submission guidelines [can be found here](#).

Submit abstracts meeting the above criteria to TriangleSHM@gmail.com.

Submission categories: **I.** Research **II.** Innovations **III.** Clinical Vignettes

Abstract submission deadline: Friday, September 1, 2023 at 11:59 PM

Announcement of Acceptance: Friday, September 15, 2023

After peer review, authors of selected abstracts will be invited to create a poster to present at the NC Triangle Chapter's Scientific Abstract Competition on October 16th. Although all are welcome to participate, only current SHM Members will be eligible to have their poster judged at the event. For a limited time, new SHM members are eligible to receive 20% off their first membership using the discount code CRM23. Invitations and instructions for poster presentations will be included in your notification of acceptance.

One overall winner will receive automatic acceptance to the National Scientific Abstract Competition taking place at SHM's annual conference, [Converge](#), April 12-15, 2024 in San Diego, CA. They will also receive a complimentary registration to attend the conference.
