Dear Dean,

Enclosed are the Colorado Springs Osteopathic Foundation's John H. Drabing, D.O. **Osteopathic Medical Student Tuition Scholarship** information and application. Only **second year medical students** may apply as these scholarships are awarded for their third year of medical school. We will **award up to five \$10,000 scholarships**. These scholarships automatically renew for the fourth year of medical school if the recipients remain in good standing. Thus, **each recipient receives \$20,000 in tuition scholarships**.

In addition, we will award one \$1,000 scholarship named the Walter S. Strode, D.O. Memorial Scholarship. It may be used for books, fees, equipment, and supplies.

Please **distribute** the scholarship information and application to any of **your students from Colorado** to help us publicize this opportunity. The information is also on our website, csof.org.

If you have any questions, please contact me at 719-635-9057 or DRalston@csof.org.

Thank you very much.

Best regards,

Doris
