

Requirements to Run for an Elected Position

1. Letter of Intent
 - a. Letters of Intent are typically at minimum around 1-page double spaced. If you are unfamiliar with what a letter of intent should contain, there are many resources online. You may send your letters of intent anytime before the due date of the position you are running for.
 - b. Where do you send your letters of intent?
 - i. Use the Engage Platform described above to submit your Letters of Intent for clubs and interest groups (Election Groups 3 and 4). All letters of intent for Election Groups 1 and 2 will be emailed directly to j_willis0208@email.campbell.edu
2. Speeches
 - a. Speeches will be addressed to the Class of 2027 (for Class President/Vice President). SGA/SOMA's speeches will be addressed concurrently, but will be recorded and disseminated to the entire school (all four classes must vote on these positions since they are national positions). Once your application has been approved you will be notified and speeches can then be recorded on your own and sent to j_willis0208@email.campbell.edu. Speeches should be no longer than 5 minutes.
3. GPA Requirement (Positions yellow on [spreadsheet](#))
 - a. **Students must have a cumulative GPA of > 3.0 on a 4.0 scale as calculated at the end of each grading period, no course failures, and cannot be on academic or on conduct probation.** Wendy will check these details before the speech and voting process occurs. If you are unsure of your academic standing, **contact Ms. Lou Naylor, our Registrar.** (Please remember **January 3rd** is the first day the registrar will be back from break. Any emails before then will not be addressed.) In case you are concerned about sharing academic information with us, we do not perform GPA inquiries to Medical Education and we do not receive individual GPA numerical values from Wendy/Sarah/Zach either, only qualitative information that allows us to know if you are eligible or ineligible.
4. No Dual Appointment
 - a. If you are elected to an SGA executive position, SOMA executive position, or Class of 2027 President or Vice President position, **you are not allowed to hold any other ELECTED positions at CUSOM! (with the exception of CUCCC leadership board)**! Please consider this before running for any of these positions. Each student can only hold one club ([orange on spreadsheet](#)) executive position (President, Vice President, Secretary and Treasurer), however that same student is eligible to hold an interest group ([blue on spreadsheet](#)) position as well. (Examples of acceptable positions listed below)

- i. SGA President/VP/Treasurer/Secretary + CUCCC leadership board
 - ii. Dermatology Club President + CUCCC leadership + Ophthalmology Interest group President
 - iii. SGA Social Chair (appointed, NOT elected position) + Peds Club President + CUCCC leadership
5. Chair Positions (green on [spreadsheet](#))
 - a. Many clubs offer chair positions which are appointed by the Executive Board of a club. These non-voting positions are appointed internally through the club. No application through ENGAGE is necessary and these positions do NOT meet the same requirements as elected positions (yellow on [spreadsheet](#))
6. SGA Chair Positions (purple on [spreadsheet](#))
 - a. SGA chair positions are under different requirements per the academic bulletin. These positions require an application through ENGAGE. **Students must have a cumulative GPA of ≥ 3.0 on a 4.0 scale as calculated at the end of each grading period, no course failures, and cannot be on academic or on conduct probation.**

Active Campaigning (Posters, Flyers and etc) is strictly prohibited!
