

## Join ACP today with a Free medical student membership.

Build your clinical knowledge with online learning modules, podcasts, and complimentary online subscription to *Annals of Internal Medicine*.

Engage in advocacy; boost your CV; and thrive personally, professionally, and financially.

### Invest in Yourself- Join ACP Today

Explore a career in internal medicine with FREE medical student membership. Membership is open to medical students enrolled in any US medical school or any school listed in the International Medical Education Directory (IMED).

#### Top reasons to join ACP:

- **Explore a wide variety of benefits** to ace your internal medicine clerkship, prepare for residency, and plan your career in medicine.
- **Strengthen your clinical knowledge.** Use ACP's short online learning modules, internal medicine-focused podcasts, and complimentary online access to *Annals of Internal Medicine*.
- **Thrive personally, professionally, and financially** with exclusive ACP perks:
  - Insight into the field of internal medicine and its diverse career pathways
  - Personal well-being and nonclinical resources
  - Financial preparedness tools and expert career guidance
- **Engage in ACP's advocacy and grassroots efforts.** Seize opportunities to advocate for impactful changes in health care, connect with lawmakers on matters influencing patient welfare and medical education, and more.
- **Showcase your expertise and bolster your CV.** Participate in local and national medical student abstract competitions.

**Embrace the benefits of a free ACP membership today and embark on a journey to success!**
