

Duke Physician Assistant Emergency Medicine Residency Program

In this 12-month intensive clinical training and educational program, you will be a member of Duke's emergency medicine team. This opportunity allows you to work with and learn from dedicated world-renowned clinicians, researchers, residents, and advanced practice providers. Our team is committed to your education and clinical training in emergency medicine.

Benefits include:

- Competitive stipend
- Professional Liability insurance
- \$75,000 group term life insurance
- Two weeks paid vacation
- Medical and dental insurance
- Free Parking
- CME Allowance
