Central California Faculty Medical Group (CCFMG), affiliated with UCSF Fresno Medical Education Program, is seeking Physician Assistants in the following areas:

- **Emergency Medicine**
- **Gastroenterology**
- **General Surgery**
- **ICU**
- **Infectious Disease**
- **Orthopaedic Surgery**
- **Pulmonology**
- **Trauma Surgery**

The program is based in Fresno, California, a city that combines a high standard of living with a low cost of living. The result is a quality of life uniquely Californian, yet surprisingly affordable. Limitless recreational opportunities and spectacular scenery are accessible in a community with abundant affordable housing.

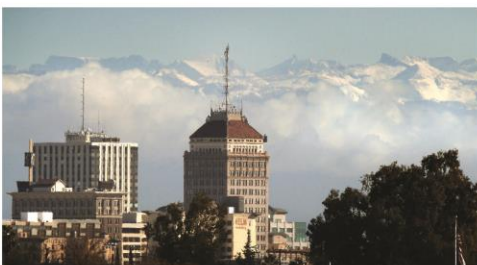

While there is much to see and do in Fresno, the city is ideally located for fast, convenient getaways to the majestic Sierra (just 90 minutes away) as well as the scenic Central Coast, (just 2 ½ hours away). Fresno is the only major city in the country with close proximity to three national parks, including the renowned Yosemite National Park. Fresno is uniquely placed within a short drive of both San Francisco (just 3 hours away) and Los Angeles (just 3 ½ hours away), making it easy to enjoy the art, food, and nightlife that both cities have to offer.
