## APP Primary Care Fellowship Opportunity

### 12-Month Transition to Practice Program

- Weekly didactics, precepted and autonomous patient encounters, specialty rotations and leadership development opportunities
- In-person skills labs
- Participation in quality improvement projects to build upon leadership skills
- Mentorship with experienced APPs within Central Ohio Primary Care (COPC)
- Direct employment with COPC during the program with full time benefits, including CME

### Career Development

One of the goals of the APP Fellowship program is to have the APN/PA fellow join COPC as a provider. COPC will focus on strengthening and developing skills necessary to practice in a highly collaborative, interprofessional primary care setting and to better deliver patient-centered care and improve health outcomes.

### Eligibility Requirements

Ohio APN or PA licensed by April 2024

### Location & Dates

COPC practices in Columbus and Central Ohio

**Application Deadline:** January 8, 2024

**Program Acceptance:** February 1 (rolling)

**Program Start:** April 2024
