

UNC Health Wayne, based in Goldsboro, NC, is currently seeking a full-time Advanced Practice Provider to join our dynamic Inpatient Critical Care department. You'll collaborate closely with a team consisting of two physicians and two APPs. Our APPs embody the mission, vision, and values of our organization, ensuring adherence to all pertinent policies, procedures, guidelines, as well as regulatory and accreditation standards.

Responsibilities:

- Round with the Critical Care Physician/Intensivist and independently
- Take patients medical orders
- Perform and manage patient consults in the ICU, ED, PACU and overflow
- Write progress notes and update the physician as needed
- Ventilator management and med management
- EMR: EPIC

Compensation:

- Competitive salary
- Relocation expense (if applicable)
- 403B retirement plan
- CME –\$2500 reimbursement
- Malpractice insurance including tail coverage

Schedule:

Full time – 15 days a month (7 on and 7 off) 7am-7pm; (occasionally 16 days as some months have 31 days).

Requirements:

- Graduation from an accredited PA/ NP Program
- North Carolina licensed and BLS/ACLS certified
- One and more years of experience in critical care as an APP or RN (Preferred)
- New Grads are highly welcome to apply!
