

# Mid-Atlantic Emergency Medical Associates, PLLC

## Post-graduate Certificate Program for NPs and PAs in Emergency Medicine

Our Mission: To provide post-graduate intensive clinical and didactic program for physician assistants and nurse practitioners that promotes evidence-based, high quality, and cost effective emergency care. Through an innovative approach this program will build on the basic educational preparation accomplished through the graduate academic curriculum. Post-graduates will acquire enhanced clinical proficiencies to promote a successful transition to practice through an inter-professional approach among a team of highly qualified emergency care providers and collaboration with other specialties. The program will be 6 months in length with two cycles every Spring and Fall. Novant Presbyterian Medical center is a 622- bed tertiary care medical center, designated Level II Trauma Center, and a Comprehensive Stroke Center. Post-graduates will also rotate through Novant Matthews Medical Center, Novant Huntersville Medical Center, Novant Mint Hill Medical Center, Novant Ballantyne Medical Center, and Novant Rowan Medical Center. Additional information may be located at [www.mema.net](http://www.mema.net).

**Applications should include a cover letter, personal statement, three letters of recommendations, transcripts (unofficial is acceptable), and a CV. Applications may be sent by mail or email.**
