

Mayo Clinic School of Health Sciences

# Nurse Practitioner or Physician Assistant Gastroenterology and Hepatology Fellowship

## PROGRAM DESCRIPTION

Mayo Clinic School of Health Sciences offers a 12-month postgraduate Nurse Practitioner or Physician Assistant Gastroenterology and Hepatology Fellowship at Mayo Clinic in Jacksonville, Florida. The program will provide comprehensive training for nurse practitioners and physician assistants who desire a career in gastroenterology and hepatology.

## ELIGIBILITY

To be eligible for the Nurse Practitioner or Physician Assistant Gastroenterology and Hepatology Fellowship, you must be a graduate from an accredited nurse practitioner or physician assistant program, obtain national board certification, obtain license to practice in the state of Florida and be certified in Basic Life Support (BLS) prior to program start date.

## PROGRAM DETAILS

# 12

Month Fellowship

**Jacksonville | Florida Campus**

## CURRICULUM

The curriculum comprises of mentored rotations within several subspecialties, didactic instruction, research, and direct clinical experience. Our fellows will gain experience in general gastroenterology, inflammatory bowel disease, esophageal disorders, motility disorders, hepatobiliary disease, general hepatology and management of hospitalized patients with gastrointestinal disorders.

## GRADUATION

Upon graduation, fellows receive a certificate from Mayo Clinic School of Health Sciences documenting completion of a 12-month postgraduate fellowship in gastroenterology and hepatology. The certificate verifies that each fellow has completed all components outlined in the curriculum and achieved program competencies.
