

Welcome to the Campbell Physician Assistant Newsletter!

Hello and welcome to the first edition of the Campbell University PA Class Alumni Newsletter! The current officers of the Wallace Student Society came together and decided we wanted a way to keep in touch with our alumni, and a way for you all to stay connected with whats happening with CUPA! Be on the lookout for all the fun things to come this year!

The first year students have been hard at work and have just finished Block 1! While it was an adjustment for all, everyone is off to a great start!

The second year students have good morale as they are close to finishing rotation 3!

With this being PA week, lots of festivities have been planned to celebrate!

The Wallace Student Society has elected its new officers for the year. We are excited for all of the fun things being planned.
