

## **Pulmonary Sleep Outpatient NP or PA – Ali Lung Clinic PC**

Location Smithfield NC approx. 30 min from Raleigh NC. The clinic is located on the campus of UNC Johnston Health.

The employer is Ali Lung Clinic PC

- Pulmonary and Sleep Medicine Clinic

### **Responsibilities**

Seeing patients in the clinic (Obtaining history, physical exam, reviewing lab and imaging, formulating plan, sending prescriptions, following up on results etc.).

Authorizations are done by medical assistants—no scut work.

**The expected Average Volume to be seen is 12-16 patients per day.** Office Hours 9 AM to 430 PM with lunch break 1 - 130 PM. Nice and helpful support staff. Relaxed work environment. Sufficient time for each patient. No stress.

EMR - Office Advanced MD, Dragon dictation software.

Also need to use EPIC for UNC patient records.

**No weekend. No nights.**

Total 3 weeks PTO plus approximately 6 Paid Holidays a year .

**We prefer 1 year of experience or a new graduate determined to learn and provide excellent patient care. We do not want anyone who will provide substandard care. We would like someone eager to learn, able to do concise, accurate notes, and have good patient rapport.**

**Ample teaching available** and attending is always available. All patients are discussed with attending every day unless on vacation. Attending is available in person for most of the clinic's duration to staff patients.

Job Type: Option to do 4 days a week x 7 hours a day = 28 hours a week and have Friday off in addition to weekend or 7 hrs. per day x 5 days = 35 hours per week.

Based on above salary averages over \$ 70/hr. for time worked. Approximately.

Salary: \$90000 - \$120000 per year based on what option is chosen 28 hours vs 35 hrs./ week and experience. Bonus can be added for higher patient volumes.

Benefits: 401(k) after 1 year service, Health insurance, Paid time off, Will reimburse NC license and DEA prorated for contract duration.
