REACH PPP Training

Patient-Centered Mental Health in Pediatric Primary Care

Free, up-to-date, evidence-based training in assessing, diagnosing, and treating pediatric mental health concerns.

Available to pediatric primary care MDs, DOs, NPs, and PAs in North Carolina.

Participants earn up to 28.25 AMA PRA Category 1 Credits™ by completing the mini-fellowship components:

- A dynamic three-day, 16-hour interactive course focused on building skills and confidence in diagnosing and treating pediatric behavioral health problems.
- 12 bi-weekly, 1-hour case-based group conference calls with primary care and child/adolescent psychiatry experts to learn how to manage pediatric mental health issues encountered in daily practice.

All participants receive custom-designed toolkits with guides, assessment instruments, dosing and side effect charts, medication comparison tables, and handouts for patients and parents.

Program in collaboration with:

DukeHealth

JOINT ACCREDITATION™
INTERPROFESSIONAL CONTINUING EDUCATION

This activity has been planned and implemented by the Duke University Health System Department of Clinical Education and Professional Development and The REACH Institute for the advancement of patient care. The Duke University Health System Department of Clinical Education and Professional Development is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for the health care team.

Duke University Health System Department of Clinical Education and Professional Development designates this CME activity for a maximum of 28.25 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.
