Advanced Practice Provider (APP) – Full-Time

Location: Cornerstone Family Practice and Urgent Care

Schedule: Monday–Thursday, 7:30 AM – 5:00 PM

About Us

Cornerstone Family Practice and Urgent Care is a **privately owned, PA-owned practice** committed to compassionate, patient-focused care. We are an **Equal Opportunity Employer**.

Our Mission: Empower individuals to take an active role in their health through education, innovation, and personalized care.

Our Vision: Set the standard for excellence in healthcare by promoting lifelong wellness and whole-person care.

Position Summary

We are seeking a dedicated APP to join our clinic. This role offers the opportunity to manage your own patient panel while supporting urgent care needs and follow-up visits.

Key Responsibilities

- Provide full-spectrum family medicine care for children and adults
- Maintain and manage your own patient panel
- See patients for sick visits, urgent care needs, and hospital follow-ups
- Collaborate with other APPs and clinical staff to ensure continuity of care

Qualifications

- Current licensure as a Physician Associate (PA) or Nurse Practitioner (NP)
- Experience in family medicine or primary care preferred, **but new graduates are welcome**
- Strong clinical judgment and communication skills
- Ability to work independently and as part of a team

Clinic Culture & Community

At Cornerstone, we pride ourselves on creating a warm, patient-centered environment where every team member feels valued. Our clinic is deeply rooted in the local community, serving families across generations with personalized care.

Benefits

- Competitive salary commensurate with experience
- PA owned, PA led practice with a strong culture of clinical autonomy and support
- Supportive work environment that values work-life balance
- Consistent, predictable schedule (no call, no weekends)
- PTO + paid holidays
- Paid CME/professional development
- QSEHRA health benefit
- Opportunity for long-term practice growth in a small patient-focused setting
