

Visiting Scientist Fellowship

ELI LILLY AND COMPANY

What is a pharmaceutical industry fellowship?

Are you curious about how the drug development process works and what potential career opportunities there are within the pharmaceutical industry? Join us for a roundtable discussion and engage with current fellows in **Lilly's Visiting Scientist Fellowship Program** where we will discuss a myriad of pharmaceutical functions and experiences.

“Take what you find here and make it better and better.”

- Colonel Eli Lilly, 1882
