

# Residency and Fellowship Open House

## Diverse experiences in a supportive environment

The office of GME at Prisma Health–Midlands/University of South Carolina School of Medicine Columbia and the Prisma Health Richland Hospital/University of South Carolina pharmacy residency programs invite **all medical and pharmacy students and residents** seeking a residency or fellowship in **2025 or the future** to attend an Open House showcasing our programs' inclusivity and initiatives.

Meet residents and faculty of historically underrepresented backgrounds and engage with leadership from multiple departments for an evening of networking and collaboration!
