A Fun Fact: I can say the alphabet backwards :D

Purpose

The North Carolina Association of Pharmacists, as the state organization representing the profession of pharmacy, is organized to unite, serve and advance the profession of pharmacy for the benefit of society. The organization was formed January 1, 2000 by the unification of the North Carolina Pharmaceutical Association (NCPPhA), North Carolina Society of Health-System Pharmacists (NCSHP), North Carolina Chapter of the American Society of Consultant Pharmacists (NCASCP), and North Carolina Retail Pharmacy Association (NCRPA), in order to optimally serve and represent the profession of pharmacy.

Professional Development Certifications

- Opioid Stewardship Certificate Training for Student Pharmacists
 - Following successful completion of the virtual and interactive learning components, pharmacy students will work with designated coordinators to prepare student-provided, health professional and community evidence-based educational outreach.
- NCAP Student Advocacy Series Certificate
 - NC Lobbyist: Dr. Solari
 - NC Legislative Day
- Emerging Student Leaders Certificate
 - Leadership Webinar Series

Future Events

- NCAP Annual Student Jeopardy Game Series
- Fall Student Pharmacist Conference
 - Residency Showcase
- Emerging Leaders Certificate
 - Scheduled for Fall 2023
- Student Pharmacist Advocacy Series Certificate
 - Scheduled for Spring 2024

Emerging Leaders Certificate Requirements

- Attend at least 4 leadership sessions
- Participate in one NCAP sponsored event
- Participate in a leadership initiative through NCAP*
 - Participate in updating the existing toolkits such as the Immunization Toolkit
 - Serve as a member of the Resource Development Committee to help identify leadership resources for students and new practitioners
 - Participate in the planning of a SPF/NPF sponsored event session for the 2023 Annual Convention
 - Participate in a live meeting(s) with a state legislator during NC Legislative Day

- Avid birdwatcher

Me

My
wife

Wait – what are we talking about?

Contents of today's discussion:

- NCAP - an introduction
- NCAP for pharmacists
- NCAP for students (you)

North Carolina Association of Pharmacists

Advancing Pharmacy. Improving Health.

What is NCAP?

The North Carolina Association of Pharmacists

- Mission Statement: “NCAP exists to unite, serve and advance the profession of pharmacy for the benefit of society.”
- Vision Statement: “NCAP will be recognized as the essential organization representing pharmacy in North Carolina, fostering advancement of pharmacy practice to improve the health of the people we serve.”

What is NCAP?

The North Carolina Association of Pharmacists

- Mission Statement: “NCAP exists to unite, serve and advance the profession of pharmacy for the benefit of society.”
- Vision Statement: “NCAP will be recognized as the essential organization representing pharmacy in North Carolina, fostering advancement of pharmacy practice to improve the health of the people we serve.”

NCAP is the collective voice for pharmacists and pharmacy students in North Carolina.

What is NCAP? Cont.

The North Carolina Association of Pharmacists

- 140+ years of service to North Carolina
- Fosters growth and provides education opportunities to students across the state
- Continued advancement beyond graduation enabling pharmacists to practice at the top of their license

Advocacy

- Long history of advocacy for pharmacy and healthcare at the state and federal level
- Successes and endeavors
 - Expanded the role of immunizing pharmacist in NC
 - Helped develop and pass the Clinical Pharmacist Practitioner Act
 - Developed and passed the “Pharmacists Improve Public Health Needs” bill
 - Pharmacists can administer LAI’s, any self-administered injectable, dispense NRT and certain contraceptives without a prescription, and more
- NCAP continues to fight for fair reimbursement for pharmacy services

NCAP for Pharmacists

- New Practitioner Forum
 - Members are pharmacists in the first 7 years of their career
 - Networking, leadership opportunities,
 - Collaboration and mentorship opportunities with the SPF
- Additional training
 - LAI, Opioid stewardship, Hormonal contraceptives, PEP therapy, etc.
- Continuing education
 - Offers many CE opportunities throughout the year both live and on-demand
- NCAP Pharmacy Convention
 - Premiere event for NC pharmacists

NCAP for Students

- Student members are a part of the Student Pharmacist Forum (SPF)
- Leadership team consists of representation from all four schools and meets throughout the year.
 - Chair rotates between schools; UNC, HPU, Wingate, and Campbell.
 - Coordinates events both virtual and in-person
- Events include a Leadership Series, Advocacy series, Pharmacy jeopardy, Flu-shot contest, virtual speakers, and more.

Student Conference and Residency Showcase

- October 28th, 9:00 AM - 3:30 PM
 - Schedule TBD
- Oscar N Harris Student Union at Campbell University
- Speakers, networking, Pharmacy Jeopardy, and a Residency Showcase.

Jeopardy

- Individual chapter teams compete for a chance to participate in the Pharmacy Jeopardy State Championship hosted at the fall Conference.
- Victorious team wins prizes and eternal glory

J E O P A R D Y !

Leadership Certificate

- Collaboration with New Practitioner Forum
- Attend discussion-based learning sessions
- Develop longitudinal leadership project with a pharmacist mentor
 - E.g. NCAP toolkit update, website redesign, developing CE session

"Connect"

Long Acting Injectable Toolkit

Look no further than the LAI toolkit for all things "Long Acting Injectables". Below represents the most robust compilation of information you'll need to successfully provide LAI administration services in your pharmacy.

Table of Contents

- [The Benefits of LAIs](#)
- [The Law](#)
- [Billing for LAI Administration](#)

What is the SPF?

The Student Pharmacist Forum is the voice of the student pharmacists from each of the four schools of pharmacy in North Carolina. Joining NCAP's SPF connects you directly to your peers across the state in developing professionally and advocating for our profession together.

Why Join?

With benefits like certificate opportunities, event discounts, MPJE study guides, student loan services, additional training, and more - the decision is easy. [Click here to join.](#)

Advocacy Series

A five-part series empowering students to participate in and catalyze positive change through legislative action. [Click here for more info.](#)

APPE Electives

NCAP offers unique rotation experiences in practice management, association management, and opioid stewardship for final-year students. [Click here for more info.](#)

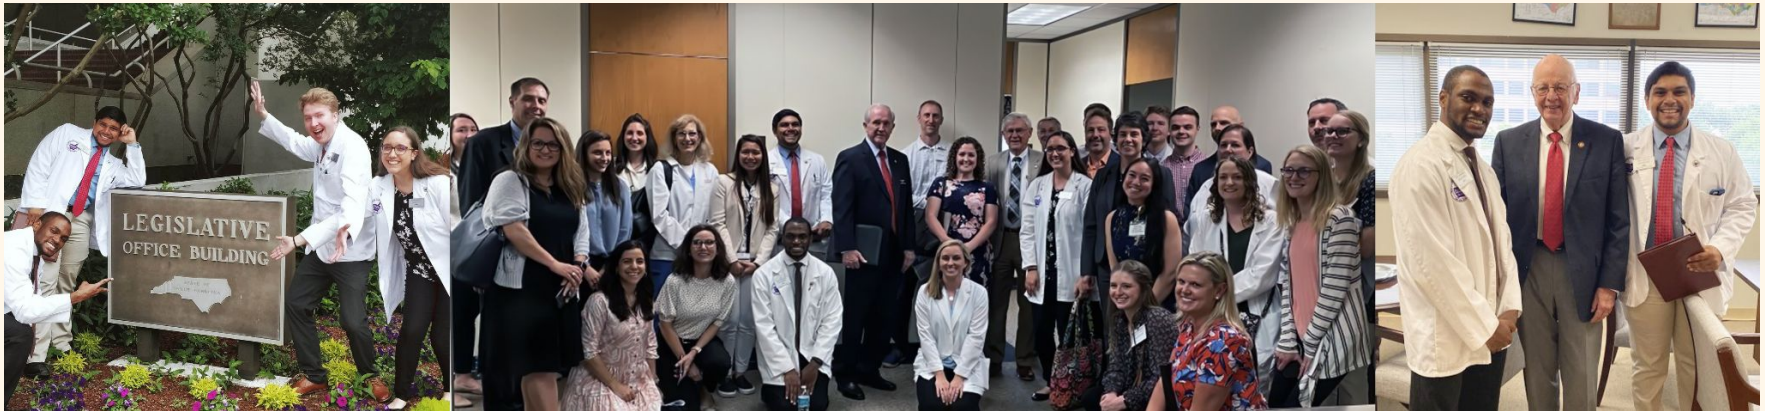

Emerging Leaders Certificate

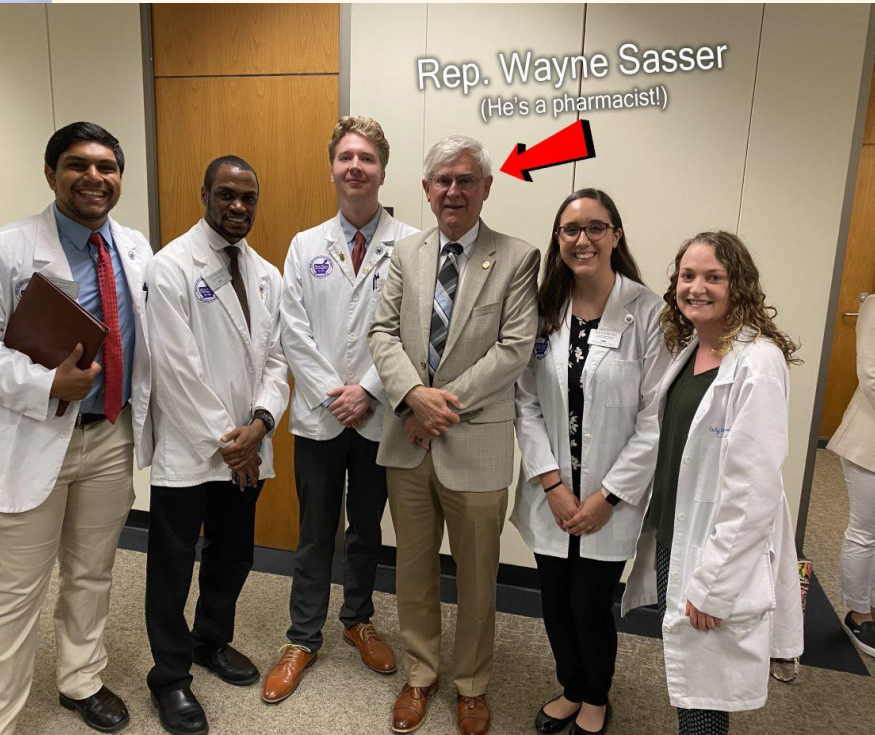

Executive Fellowship

Advocacy Series

- 5-part series informing students of topical issues facing pharmacists today and culminating in a trip to the capitol.

Legislative Day!

Final Thoughts

Thank you!
