

The North Carolina Association of Pharmacists (NCAP) New Practitioner Forum is excited to invite you to the 2025 Emerging Leaders Program!

This program is designed to help student pharmacists and new practitioners across North Carolina develop their leadership skills, build meaningful professional connections, and prepare for leadership roles in pharmacy. Through five interactive, discussion-based sessions, participants will explore key leadership topics, gain practical insights, and network with pharmacy leaders and peers. We have completed our first two discussions in 2024, and we look forward to you joining our remaining 3 sessions in 2025!

Why Participate?

- Earn 3 hours of Live NC CE credits by attending at least three sessions.
- Strengthen your CV and leadership development.
- Build relationships with experienced leaders and fellow practitioners.

Who Should Participate?

- New pharmacy practitioners across North Carolina.
- Pharmacy students seeking leadership growth and professional connections.
