

Industry Pharmacists  
Organization

# INDUSTRY PHARMACISTS ORGANIZATION

# MEETING AGENDA

- 01 What is IPhO?
- 02 Meet the E-Board!
- 03 Dr. Charles Carter
- 04 Questions

# What is IPhO?

- **Overview:** The Industry Pharmacists Organization (IPHO) Club is a professional organization that focuses on preparing pharmacy students for careers in the pharmaceutical industry.
- **Mission:** Provide resources, networking, and mentorship for industry-focused careers.

## Why Join?

- Build a strong professional network
- Gain insight into pharmaceutical industry roles
- Enhance your career opportunities post-graduation

## Key Activities:

- Networking opportunities with industry professionals
- Workshops on industry trends and career paths
- Mentorship programs and guidance for internships or fellowships
- VIP Case competition

# Outlook of Pharmacy Fellowships

Figure 7: 10-Year Trend in Fellowship Program Size

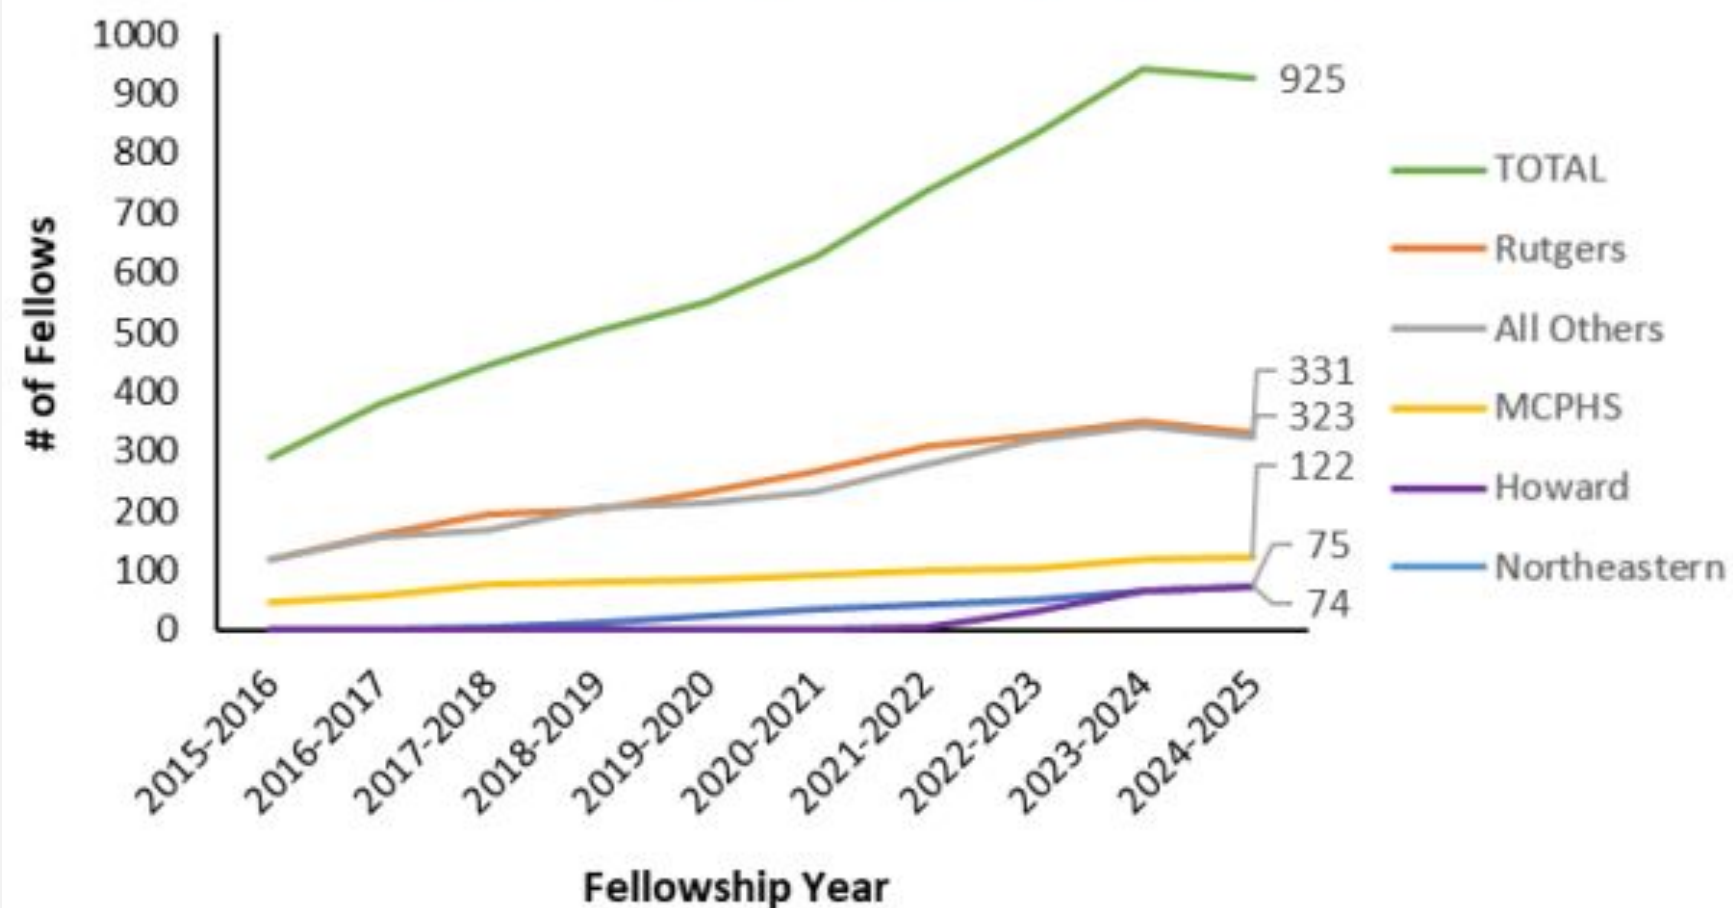

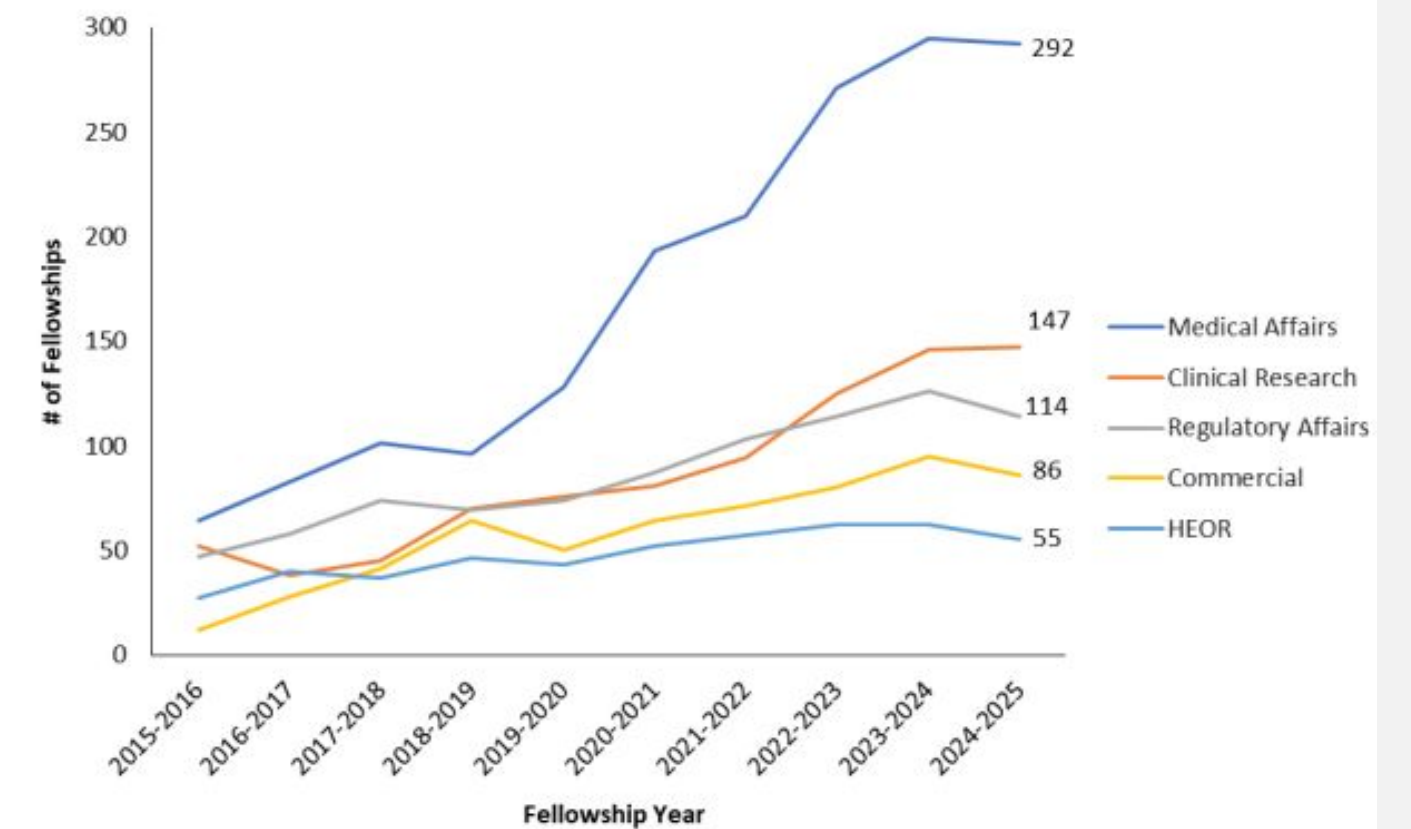

Figure 8: 10-Year Trend in Fellowships by Functional Area

Abbreviations: HEOR - Health Economics and Outcomes Research

# VIP CASE COMPETITION

**What is it:** A Project to cover drug development from many perspectives, including clinical sciences, regulatory affairs, commercial/marketing, and medical affairs.

We are tasked with producing a cohesive plan to bring a theoretical new molecular entity from 'bench to bedside'

**When:** Starting in October

**Why:**

- Demonstrate the Value of Industry Pharmacists within the drug development process
- Opportunity to network with current industry fellows and industry pharmacists
