

# Rx for Your Future

## Class of 2026 Opportunities

CVS Health® is now hiring 2026 Pharmacy Graduates nationwide, with select markets offering enhanced compensation, sign-on bonuses, and relocation support. In Indiana, 2026 graduates can earn \$100,000 over three years through our Indiana Retention Program while working as a CVS Health pharmacist. Learn more or connect with a CVS Pharmacy® Campus Recruiter by [registering interest here](#).

**Ready to explore a new area?** Our 2026 grad market visits give you a change to explore pharmacist opportunities in high need areas with incentives designed to make the move easier and lucrative. To learn more, [click here](#).

### Indiana Retention Program

Designed to support new PharmD graduates beginning their community pharmacist careers, the Indiana Retention Program offers substantial financial incentives while serving Indiana communities.

Eligible Class of 2026 PharmD graduates can receive up to \$100,000 over three years through semiannual payments after Indiana pharmacist licensure. Available locations include multiple markets across Indiana. [Learn more](#).

### CVS Health Foundation/AACP Community Pharmacy Award

This award recognizes students who demonstrate leadership, academic success, and a commitment to advancing patient care and the pharmacy profession.

Application opens May 1<sup>st</sup> for the 2026-2027 academic year. AACP administers \$20,000 in scholarships awarded to 21 student pharmacists facing financial barriers.
