

Pharmacy Intern opening at D-Rex Pharmacy

Pharmacy Intern to fill immediate opening with our growing, busy pharmacy in Yadkin County. Candidates who are only available for the summer are still welcome to apply. Our locally owned pharmacies take care of our neighbors, and we only hire people who want to be of real service to other people.

Our employees are caring, well-trained, professional individuals who find reward in a job well done. They are team players and willing to go the extra mile for their customers and their coworkers. Our team is made up of health care professionals - they look and act it. Our employees are clean, punctual, empathetic, and self-motivated.

In exchange for their hard work and caring attitudes, our pharmacy offers competitive wages, benefits, and a superior work environment. We know that if our employees are to care for and respect our clients, we must model the same to them. We provide facilities and tools that are clean, up to date and allow for efficiency and satisfaction. Employees are treated with empathy, and respect where all are treated equally. We empower our people to be the best they can be and offer the most to our neighbors.

If it is as important to you to make a difference as it is to make a paycheck, then we need to talk.

Only applicants who live in Yadkin County and the surrounding area will be considered for this position. Preference given to candidates with experience in retail pharmacy. Full-time or part-time hours available. Candidates who are only available for temporary employment during the summer are still welcome to apply. Pay range varies based on experience and qualifications.

Benefits offered:

- Flexible schedules
- Employee discounts
- Workplace perks such as food/coffee and flexible work schedules
