UNIVERSITY**

College of Pharmacy  
and Health Sciences

## ***New Exciting Collaboration and Fellowship Opportunity!!!!***

St. John's University, College of Pharmacy and Health Sciences, in collaboration with Otsuka Pharmaceutical Development & Commercialization, Inc., is proud to announce a new fellowship program beginning July, 2025. This Global Medical Affairs Pharmaceutical Industry Fellowship is a post-graduate experience for individuals who have earned a **Doctor of Pharmacy** degree. The overall objective for the fellowship is to provide hands-on experience within the Global Medical Strategy team to drive strategic and tactical excellence for assigned Otsuka assets. During this unique fellowship, the fellow will use her/his skills to make a positive impact on advancement of treatments within the Neuroscience/Nephrology therapeutic area(s). The fellowship involves establishing strong working relationships with Field Medical, Medical Communications, Marketing, Training, Patient Advocacy, Global Value and Real World Evidence, Clinical Development and other related functions. The program is recruiting a total of three fellows for July 2025 (two fellows in Neuroscience and one fellow in Nephrology).

On **Wednesday November 20, 2024** the Program will be hosting an online informational session to introduce the opportunities within this program at 8:00 PM EST. To register for this Webinar [CLICK HERE](#) , or use the below link:
