

OUR MISSION is to improve lives by helping our patients reach their maximum potential, not only to survive but to THRIVE. We want all who enter (team members and patients, alike) to THRIVE.

Do you want to be EXCITED to go to work? THRIVE Sampson Physical Therapy & Wellness is looking for a **FULL TIME PHYSICAL THERAPIST** to join our team. THRIVE Sampson is a growing, physical therapist-owned private practice in Clinton, North Carolina and is creating an uplifting and dynamic work home that truly encourages life/work balance and growth.

- **Not enough time with your patients?** We provide One-on-One patient treatments with no double booking.
- **Tired of taking work home?** We offer paid documentation time to stay current with notes and communicate with doctors and patients. Life-work balance is a priority.
- **Need more flexibility?** We are willing to work around what you are looking for - full-time, part-time or PRN.

THRIVE Physical Therapy provides services for a diverse patient population, and we encourage our therapists to pursue their own areas of interest to meet the needs of our community. We are excited to have created a positive and productive work environment where we respect and appreciate each other and our patients.
