

Duke University Hospital

Acute Care Physical Therapy Residency Program

*Now Accepting Applications for the
2025-2026 Residency Year!*

About the Program

The Duke Health Acute Care Residency Program has been granted full accreditation through the American Board of Physical Therapy Residency and Fellowship Education.

Our mission is to develop and graduate practitioners with highly specialized clinical reasoning and advanced skills to manage the medically complex patient across the acute care setting. At Duke, our faculty, staff, and residents are dedicated to transforming patient health, building healthier communities, and advancing the profession through excellence in teaching, research, and education.

Join us for a Virtual Information Night!

Wednesday, November 5th at 8:00 PM

A virtual fair where you'll hear directly from our Program Director and Program Coordinators about what makes our residency and fellowship training unique.

Register Here!
